

Here Comes The Music

Savoy Brown

Here comes the music
Here comes the rhythm
We gotta get together
And let the band know
You're with them, yeah
Here comes the feeling
Gonna make everything all right
Come on, come on
Come on, get it right
Get it right tonight
For this is only a day in your life, of yeah
And if it makes you feel right, satisfied with yourself
We can do it

Here comes the music
Make yourself happy
Put your hands together
I got to know that your with me, yeah
Here come the feeling
Gonna make everything all right
Come on, come on
Come on, get it right
Get it right tonight
For this is only a day in your life, oh yeah
And if it makes you feel right, satisfied with yourself
Oh, we can do it

Get it right
Get it right tonight
Get it right
Get it right tonight
Baby, get it right
Get it right
Get it right tonight...
