

It Hurts Me Too

Savoy Brown

You said you was hurtin', you almost lost your mind
The man you love, he hurts you all the time

When things go wrong
Lord, lord so wrong with you
It hurt me too

He loved another woman, yes, but I love you
But you love him, and stick to him like glue

When things go wrong
Lord, lord, so wrong with you
It hurt me too

You love him more, when you should love him less
Why stick up behind him, yes, and take his best?

When things go wrong
Lord, lord, so wrong with you
It hurt me too

Say goodbye baby, I'm gonna pack my case
Lord I know, I'll never, I'll never take his place

When things go wrong
Lord, lord, so wrong with you
It hurt me too
