

She's Got A Ring In His Nose And A Ring On

Savoy Brown

Well it aint somethin that i like to see
And i hope it never happens to me
When ya see a smiling woman and a frowning man
She got a ring in his nose and a ring on her hand

Well i knew a guy and he was real funky ya know
That was of course until he got lucky
When ya see a smiling woman and a frowning man
She got a ring in his nose and a ring on her hand

Now i know all you men think that you all right
And the one you got well she's alright
When ya see a smiling woman and a frowning man
She got a ring in his nose and a ring on her hand

Well i knew a guy and he was real funky ya know
That was of course until he got lucky
When ya see a smiling woman and a frowning man
She got a ring in his nose and a ring on her hand

Now i know all you men think that you all right
And the one you got well she's alright
When ya see a smiling woman and a frowning man
She got a ring in his nose and a ring on her hand
Ring in his nose and a ring on her hand

Ring in his nose and a ring on her hand

Oh hows that
Yeah
Everybodys got to be unlucky sometime
That's the way it goes
