**Savoy Brown** 

Well it aint somethin that i like to see
And i hope it never happens to me
When ya see a smiling woman and a frowning man
She got a ring in his nose and a ring on her hand

Well i knew a guy and he was real funky ya know That was of course until he got lucky When ya see a smiling woman and a frowning man She got a ring in his nose and a ring on her hand

Now i know all you men think that you all right And the one you got well she's alright When ya see a smiling woman and a frowning man She got a ring in his nose and a ring on her hand
