

Stay With Me Baby

Savoy Brown

Stay with me baby, stick around me sometimes
Stay with me baby, stick around me sometimes
You know the only one to ease my worried mind

I get your kindling mama and a brick of coal
I get your kindling mama and a pinch of coal
You got the nerve to tell that you don't want to know

Stay with me baby, stick around me sometimes
Stay with me baby, stick around me sometimes
You know the only one to ease my worried mind

Stay with me baby, stick around me sometimes
Stay with me baby, stick around me sometimes
You know the only one to ease my worried mind
