

Troubled By These Days And Times

Savoy Brown

Raymond-Chrysalis Music Ltd.

Well I'm troubled, yes I'm troubled
Well I'm troubled by these days and times
Well I'm troubled, yes I'm troubled
You know I'm troubled by these days and times

When fortune smiles on me, it's leaving me behind
Everybody knows that fate can be so unkind
Don't wanna kick myself for the rest of my life
If that's the way it's gotta be I guess it's alright

Well I'm worried, yes I'm worried
I'm worried 'bout what's gonna come
Well I'm worried, oh Lord I'm worried
I'm worried 'bout the things I've done

No use in thinking 'bout what's right or wrong
Caring for nothing than yourself in so long
Should I regret the years I let go by
Living for the day and never wondering why

Well I'm troubled, yes I'm troubled
Well I'm troubled by these days and times
Well I'm troubled, oh Lord I'm troubled
You know I'm troubled by these days and times

When fortune smiles on me, it's leaving me behind
Everybody knows that fate can be so unkind
Don't wanna kick myself for the rest of my life
If that's the way it's gotta be I guess it's alright

Troubled by these days and times
