

# Troubled By These Days And Times

Savoy Brown

Raymond-Chrysalis Music Ltd.

Well I'm troubled, yes I'm troubled  
Well I'm troubled by these days and times  
Well I'm troubled, yes I'm troubled  
You know I'm troubled by these days and times

When fortune smiles on me, it's leaving me behind  
Everybody knows that fate can be so unkind  
Don't wanna kick myself for the rest of my life  
If that's the way it's gotta be I guess it's alright

Well I'm worried, yes I'm worried  
I'm worried 'bout what's gonna come  
Well I'm worried, oh Lord I'm worried  
I'm worried 'bout the things I've done

No use in thinking 'bout what's right or wrong  
Caring for nothing than yourself in so long  
Should I regret the years I let go by  
Living for the day and never wondering why

Well I'm troubled, yes I'm troubled  
Well I'm troubled by these days and times  
Well I'm troubled, oh Lord I'm troubled  
You know I'm troubled by these days and times

When fortune smiles on me, it's leaving me behind  
Everybody knows that fate can be so unkind  
Don't wanna kick myself for the rest of my life  
If that's the way it's gotta be I guess it's alright
