

## A Mighty Big Broom

Sawyer Brown

Well come on and 'a run, run, run with me;  
we gotta' lotta' stuff we gotta'do.  
We got some spring cleaning,  
that I been a meaning to get around to.  
Come on and don't forget the big broom.

It takes a mighty big woman,  
to work a mighty big broom.  
And it takes a mighty big broom,  
to sweep up this room.

Well come on and 'a run, run, run with me;  
And don't forget to tie your shoes.  
We got some spring cleaning,  
that I been a meaning to get around to.  
Come on and don't forget the big broom.

Well it's a mighty big broom.  
yep..big old broom.  
Whoooo-eee!  
Look at the size of this mother fuckin' broom!
