

## Dirt Road

Sawyer Brown

Daddy worked hard for his dollar  
He said some folks don't-but that's okay  
They won't know which road to follow  
Because an easy street might lead you astray

I'll take the dirt road-it's all I know  
I've been walking it for years  
Its gone where I need to go  
Oh it ain't easy-it ain't supposed to be  
So I'll take my time  
And life won't pass me by  
'Cause it's right there to find, On the dirt road

I have lived life in the fast lane  
You gotta watch your back and look both ways  
When I said and done the time we have is borrowed  
You better make real sure you're headed the right way
