

## Eyes Of Love

Sawyer Brown

The Rockafellers, we know we ain't  
And this old house needs a coat of paint  
Got a Chevy Impala vintage '73  
Some days she can't outrun you or me  
Well I know it ain't everything I promised you  
But you tell me it's a matter of a point of view

Through the eyes of love  
We see things in a different light  
Through the eyes of love  
It looks like things are gonna be all right

We've got a simple life  
We don't go to extremes  
But we're livin' on love, way above our means  
Maybe some day our ship'll come in  
Baby, till then, it's sink or swim  
It's those little things that you do and say  
Got a good ole boy in a real good way

Through the eyes of love  
We see things in a different light  
Through the eyes of love  
It looks like things are gonna be all right

Through the eyes of love  
We see things in a different light  
Through the eyes of love  
It looks like things are gonna be all right
