Eyes Of Love

Sawyer Brown

The Rockafellers, we know we ain't And this old house needs a coat of paint Got a Chevy Impala vintage '73 Some days she can't outrun you or me Well I know it ain't everything I promised you But you tell me it's a matter of a point of view

Through the eyes of love We see things in a different light Through the eyes of love It looks like things are gonna be all right

We've got a simple life We don't go to extremes But we're livin' on love, way above our means Maybe some day our ship'll come in Baby, till then, it's sink or swim It's those little things that you do and say Got a good ole boy in a real good way

Through the eyes of love We see things in a different light Through the eyes of love It looks like things are gonna be all right

Through the eyes of love We see things in a different light Through the eyes of love It looks like things are gonna be all right
