Heartbreak Highway

Sawyer Brown

Well I put on my overcoat and shined my walkin' shoes I've got the sense to get out of the rain You've got the best of me and I know I can't win Well I've come to recognize that old familiar pain

Well I've been too long on a heartbreak highway On the wings of love there's a heavy load But if it can't fly I'll take the train dear I've done enough cryin' on the shoulder Of a heartbreak highway

You've thrown away the king of hearts leavin' you the queen If you play other hearts there in your hand I won't be the victim of this catch me if you can It's hard to keep on dancin' girl if you can't hear the band Of a heartbreak highway
