

I Believe

Sawyer Brown

I was a doubter in the power of love
I built up a wall so high to keep out the human touch
Then you came along like the savior to my soul
Now the walls are all in pieces
And baby, baby, you're the reason

I believe
I believe in the power of love
I believe
I believe you're my miracle
You touched my heart in a special way
And here in your arms is where I want to stay

I believe
I believe in the love we make
I believe
I believe you're my lucky break
It's true
I believe in you

I was a stranger to the touch of your hand
I chose to hide my heart, I was a solitary man
But you came along like a hero just in time
Now the lonely spell is broken
And baby, baby, you're the reason

I believe
I believe in the power of love
I believe
I believe you're my miracle
You touched my heart in a special way
And here in your arms is where I want to stay

I believe
I believe in the love we make
I believe
I believe you're my lucky break
It's true
I believe in you

No more lonely nights
Now that you're by my side
Gonna hold onto you, baby
And never let go
I want you
I want you to know

I believe in the power of love
I believe
I believe you're my miracle
You touched my heart in a special way
And here in your arms is where I want to stay

I believe
I believe in the love we make
I believe
I believe you're my lucky break

It's true
I believe in you

I believe in the power of love
I believe
I believe you're my miracle
You touched my heart in a special way
And here in your arms is where I want to stay

I believe
I believe in the love we make
