I'm In Love With Her

Sawyer Brown

I'm in love with her She's not in love with me I'm still holding on To something I can't reach I'm not the one she wants Oh, she's everything I need I'm in love with her She's not in love with me

Time and time again I think of her and then Cupid's poison dart Goes right through my heart

Well, I go down to my knees A willing victim, if you please I'm in love with her She's not in love with me

Time and time again I think of her and then Cupid's poison dart Goes right through my heart

I go down to my knees A willing victim, if you please I'm in love with her She's not in love with me

I'm in love with her She's not in love with me
