

Love To Be Wanted

Sawyer Brown

Well, I get suspicious, girl, and I guess I shouldn't be
Your dressin' up to kill is killin' me
When you start turnin' heads, it turns me inside out
Well, I ain't a jealous man, but I got a doubt
And I gotta find out

Do you love to be wanted or want to be loved?
When you let your hair down and push comes to shove
Is all that I have always enough?
Do you love to be wanted or w-w-want to be loved?

You're just so pretty, girl, you can't help the way you look
And you know when it comes to fools, I wrote the book
I don't mean to point my finger
I don't mean to accuse
But I'm so in love and you're so much to lose, I gotta know the
truth

Do you love to be wanted or want to be loved?
When you let your hair down and push comes to shove
Is all that I have always enough?
Do you love to be wanted or w-w-want to be loved?

Do you love to be wanted or want to be loved?
When you let your hair down and push comes to shove
Is all that I have always enough?
Do you love to be wanted or w-w-want to be loved?

Do you love to be wanted or w-w-want to be loved
Do you love to be wanted or w-w-want to be loved
