

# Nothin' Less Than Love

Sawyer Brown

Look where we are  
Traveled all around our hearts  
To get back to the start  
The road's not easy  
But it kept on leading you and me  
Till we could see

That nothing less then love can take us  
Where we need to go  
Nothing less then love can teach us  
Anything we need to know  
Ain't no mystery  
Now you're with me  
And what I feel  
Is nothing less then love

The world Is turning with our  
Planes and bullet trains and faster cars  
We go to far  
We buy our books and  
Study all the matters of the heart  
And we think we're smart

Oh what I feel  
Oh what I feel  
Is nothing less then love
