

## Where Was I

Sawyer Brown

On a black and white TV back in grammar school  
I was watching Neal Armstrong walking on the moon  
That same day I pretended I was an astronaut  
on the playground monkey bars I flew above the stars  
I was in a Dallas disco the night John Lennon died  
The DJ played "Imagine" and everybody cried  
I remember a thousand lighters held up in our hands  
All we were saying was let's give peace a chance

Where was I when you stopped lovin' me  
When did I become history  
There's not many things that escape my memory  
Tell me where was I when you stopped loving me

Every 20,000 years a comet lights up the night  
On a blanket we watched it sail across the sky  
A Moment like that comes just once in life  
It felt like our first time at 11:35

Where was I when you stopped lovin' me  
When did I become history  
There's not many things that escape my memory  
Tell me where was I when you stopped loving me

I remember when I met you  
The taste of our first kiss  
I remember your goodbye  
Could you tell me this

Where was I when you stopped lovin' me  
When did I become history  
There's not many things that escape my memory  
Tell me where was I when you stopped loving me

Where was I when you stopped loving me
