

Ashes to Ashes

Saxon

We'll never surrender
Or give up the fight
We'll take what we're given
An' never lose sight
We've all been to the edge and back
We're leavin' no one behind

Ashes to ashes backs to the wall
Brother to brother together we fall
Ashes to ashes never give in
Brother to brother united we win,

We're shoulder to shoulder
We'll never give ground
We're stronger than ever
And forever we're bound
We'll make a stand and give it all
When your back's to the wall

Ashes to ashes backs to the wall
Brother to brother together we fall
Ashes to ashes never give in
Brother to brother united we win

Oh oh oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh oh

We'll never surrender
Or give up the fight
We'll take what we're given
An' never lose sight
We've all been to the edge and back
We're leavin' no one behind

Ashes to ashes backs to the wall
Brother to brother together we fall
Ashes to ashes never give in
Brother to brother united we win

Ashes to ashes backs to the wall
Brother to brother together we fall
Ashes to ashes never give in
Brother to brother united we win

Ashes to ashes backs to the wall
Brother to brother together we fall
Ashes to ashes never give in
Brother to brother united we win
