They came to fight for glory in their thousands Young men with their dreams They died before the guns for their country A book of faded pictures, broken dreams

Where are they now Where are they now Where are they now Where are they now The broken heroes

Uncle Sam is waiting with the draft card He says you've got to fight the Vietcong The stations full of flags and rule Britannia The engine pulls you out towards the Somme

Where are they now Where are they now Where are they now Where are they now The broken heroes The broken heroes The broken heroes The broken heroes

Where are they now Where are they now Where are they now The broken heroes

The pipes are calling young men back to Belfast The general says you march to Stalingrad You rode into the valley with the hundred Seven lonely graves on Goose Green

Where are they now Where are they now Where are they now Where are they now The broken heroes The broken heroes The broken heroes The broken heroes

Where are they now
