

# Get Down and Dirty

Saxon

Working in a drug store  
Slaving on it nine to five  
Waiting for the weekend  
That's when she comes alive

R: You've got me coming like a freight train  
Took my heart away  
Now I'm hooked on you  
Hooked on you  
You got to get down  
Get down and dirty  
You got to get down  
Get down and dirty  
Get down and dirty

Walking down the sidewalk  
Making all the schoolboys stare  
Red skirt and long legs  
Looking like she don't even care

R:

Working in a drug store  
Slaving on it nine to five  
Waiting for the weekend  
That's when she comes alive

R:

Dirty, gotta get down  
Get down, get down and dirty  
Get down and dirty
