## **Give It All Away**

Sooner or later we'll meet the maker It doesn't matter to me 'Cos I'll be laughing while I'm packing They'll have to drag me away I've been around I've been inside out I've seen it all before I've had my share of lady luck Knocking at my door

I'd give it all away I'd give it all away Just for one more day One more day with you

If you ever see the devil You gotta tell him from me I got an angel a little angel Living right here with me I've been across and I've been to the edge I've seen it all before I've had my share of lady luck Knocking at my door

I'd give it all away I'd give it all away Just for one more day One more day with you Saxon
