Saxon

I've paid my dues, I've been around
I've had my share of ups and downs
I'll never stop, it's in my blood

I've got to rock, it feels so good Can't stop me now, it's in my soul I've got to play more rock 'n' roll

R: I can't live, I can't breathe
 You got to give me what I need
 Can't go on, can't survive
 I got to rock to stay alive, stay alive

Play it loud, turn me on Give it to me all night long Loud and proud that's what I like

You've got to get the feeling right Don't stop now, it's in my soul I've got to rock, I can't say no

R:

I can't live, I can't breathe You got to give me what I need Can't go on, can't survive I got to rock to stay alive

Let me tell you what you need You've got to set your spirit free Just hear the power and feel the beat

Shout out loud and stamp your feet Cut me loose but don't let go I got to have more rock 'n' roll

R: (2x)

I can't live, I can't breathe
I've got to rock to stay alive
