

## Lift up Your Eyes

Saxon

Lift up my eyes  
And I look to the sun  
Turning my head  
To a life just begun

Ain't nobody in this world  
Tell me how to live  
Ain't nobody in this world  
Tell me how to live

Life is for living  
Not passing the time  
Tasting the fruit  
Not to drinking the wine

Ain't nobody in this world  
Gonna tell me how  
Ain't nobody in this world  
Tell me how to live

Lift up your eyes
