

Reeperbahn Stomp

Saxon

Walking down main street I got a twinkle in my eye
A buckskin leather lighter than a feather
Took the dollar bill right out of my hand
I said baby, baby
This ain't no banana I'm as hard as a rock
She said maybe, baby
Take me 'round the back and give me some....

Reeperbahn stomp, yeah yeah
Reeperbahn stomp
Reeperbahn stomp, yeah yeah
Reeperbahn stomp

Walking down main street I got a twinkle in my eye
A buckskin leather lighter than a feather
Took the dollar bill right out of my hand
I said baby, baby
This ain't no banana I'm as hard as a rock
She said maybe, baby

Take me 'round the back and give me some....

Reeperbahn stomp, yeah
Reeperbahn stomp, yeah
Reeperbahn stomp, yeah
Reeperbahn stomp, yeah
