

Strong Arm of the Law

Saxon

I was listening to the music on the radio
I had a feeling that something's not right
The music was loud, we could still hear the crowd
From the gig that we played that night
We pulled into a motorway restaurant
Stopped a while and fooled around
Oh, I still had a feeling that something's not right
As we started out homeward bound
Stop, get out
We are the strong arm of the law
Stop, get out
We are the strong arm of the law
Into the night came a blue flashing light
A blast from the siren to make sure
That we came to a stop behind the motorway cop
Who'd been trailing us for more than an hour
He pulled us out of the car at the side of the road
He questioned us one at a time
Where is the gear that we know that you use
We said the only speed we use is our car
Stop, get out
We are the strong arm of the law
Stop, get out
We are the strong arm of the law
You should've seen the stupid smirk drop from his face
It was a negative exercise
The way that we dress and the things that we do
They thought it was an easy bust
I was listening to the music on the radio
I had a feeling that something's not right
The music was loud, we could still hear the crowd
From the gig that we played that night Stop, get out
We are the strong arm of the law
Stop, get out
We are the strong arm of the law
Stop, get out
We are the strong arm of the law
Stop, get out
We are the strong arm of the law
Stop, get out
We are the strong arm of the law
Stop, get out
We are the strong arm of the law
Stop! Get out!
