

# Waiting for the Night

Saxon

You got me spinning, spinning around  
I don't know if I'm up or I'm down  
I'm coming back to you tonight

My pulse is racing, I'm out of control  
My body's aching, it's taken its toll  
I'm coming back to you tonight

This darn freeway's driving me insane  
I need a shot, a shot to ease the pain  
I'm waiting...I'm waiting for the night  
I'm waiting...bring on the night

My heart is pounding, I need you so much  
My body's yearning, I long for your touch  
I'm coming back to you tonight

I can't wait a minute longer  
Every second the feeling gets stronger  
Coming back to you tonight

This darn freeway's driving me insane  
I need a shot, a shot to ease the pain  
I'm waiting...I'm waiting for the night  
I'm waiting...bring on the night (bring on the night)

You got me spinning, spinning around  
I don't know if I'm up or I'm down  
I'm coming back to you tonight

I can't wait a minute longer  
Every second the feeling's stronger  
Coming back to you tonight

This darn freeway's driving me insane  
I need a shot, a shot to ease the pain  
I'm waiting...I'm waiting for the night  
I'm waiting...bring on the night

I'm waiting...I'm waiting for the night  
I'm waiting...bring on the night

Bring on the night  
Bring on the night  
I'm waiting

Bring on the night  
Bring on the night  
'Cause tonight I'm coming back to you  
I'm waiting
