

Every Man Has a Molly

Say Anything

Here I am, laid bare, at the end of my rope. I've lost all hope
. So Long!

Molly Connolly just broke up with me over the revealing nature
of the songs.

You goddamn kids had best be gracious with the merch money you
spend

'cause for you I won't ever have rough sex with Molly Connolly
again.

Here I am, laid down, at the end of my rope, wishing I had not
been born.

Now I've spewed too much. I can never shut it up. I thought you
should be warned

And I implied black sky took the needle to my eye and sucked ou
t all its glow,

Woah! Molly Connolly ruined my life. I thought the world should
know.

I can't stop thinking about what she did wrong to me.

I can't figure out just what I did wrong.

I'll kill myself thinking about the things that you did to me,
Molly Connolly.

Can't stop thinking about what she did wrong to me.

Just can't figure out just what I did wrong.

Kill yourself thinking about things that you did to me, Molly C
onnolly.

KC!

Can't stop thinking about...

Just can't figure her out...

Kill myself thinking about my Molly Connolly.

Can't stop thinking about (I can't stop thinking about it)

Just to figure out (I won't stop thinking about it)

Kill yourself thinking about Molly Connolly.

(I'll kill myself! I'll kill myself! I'll kill myself!)
