

At The End Of Blue

Saybia

My skin as pale as bone
As I hung up the phone
Heart sunk to the ocean floor
Thoughts raced to the nearest shore
On my way
I'm on my way
I'm on my way
To you

Red light on a strange machine
A side of you I have never seen
What defines me is already there
It's only flesh and blood, floating here
I'm on my way
On my way
I'm on my way
To you

It's a new life
Waiting at the end of blue
Where you depend on me
As much as I depend on you
On you
I depend on you
It's a million miles to reach the shore

I'm on my way

It's a new life
Waiting at the end of blue
Where you depend on me
As much as I depend on you
On you
I depend on you
On you

I depend on you
On you
On you
