

Snake Tongued Beast

Saybia

Lose your mind
Lose it twice
Endless wind
and lying eyes
Reveal yourself
and run your face against the wall
I will not fail
I will not silently give in

Take a chance
and take it twice
Catch your dream
Succeed in life
Become a star
and lose yourself in fantasies
I will not fail
I will not silently give in

I will burn
and I'll learn from the thorns in my eyes
I'll rewind
and I'll find my own way to the sky
I will learn to get by
but I'll never be like you

Snake tongued beast with leech morals
Selling dreams
Where nightmares are lurking
Collect and claim
The art that never grew in you
I will not fail
I will not silently give in

I will burn
and I'll learn, from the thorns in my eyes
I'll rewind
and I'll find, my on way to the sky
I will learn to get by
but I'll never be like you
(you talk, you talk, you talk, you talk....)

I will burn
and I'll learn from the thorns in my eyes
I'll rewind
and I'll find my on way to the sky
I will learn to get by
but I'll never be like you

(Until the sun begins to shine, until the Universe is mine
Until the whole world's watching me, until I am what I can't be, will be, will be)
