

## Bruise My Bones

SayWeCanFly

I'm about to fall down, fall down. And I'm beginning to doubt,  
I can't live with myself so let's drown, let's drown. And if there's no going back.

This secret's safe with me, oh how you make me believe that you  
won't say a word as long as I don't breathe. But I've been here before and I can already tell that I'm about to bleed all over the floor. And I wish I'd known better than to bruise my bones.

I'm about to fall down, fall down. And I'm beginning to doubt,  
I can't live with myself so let's drown, let's drown. And if there's no going back, we'll take the easy way out.

I'll give you everything when it's convenient for me. If you don't stop my heart, I'll struggle with every beat. My hands are tied behind my back with rope made out of what I lack. Where the hell did I go wrong? I'll sing with you as you proceed to bruise my bones.

I'm about to fall down, fall down. And I'm beginning to doubt,  
I can't live with myself so let's drown, let's drown. And if there's no going back.

I'm about to fall down, fall down. And I'm beginning to doubt,  
I can't live with myself so let's drown, let's drown. And if there's no going back, we'll take the easy way out.
