

## By The River

SayWeCanFly

There's a river in my soul  
Slowly drifting water guiding me home  
How it calms me as it flows  
Drags my heart back to the shore  
There's a moon up in the sky  
Turning every shadow back into light  
The stars are dancing in your eyes  
As they dance, they glow so bright (2x)  
Oh, this can't be just a dream  
Everything makes sense when you're with me  
I just want to keep you safe  
You deserve that every day  
There's an earth beneath our feet  
And it smiles when you are walking with me  
Beneath the moon that lifts you  
Watch over me and keep me safe when I'm asleep  
We were made to feel alone  
Incomplete and on our own  
But by the river in my soul  
I swear to God I've found a home (2x)  
Oh, this can't be just a dream  
Everything makes sense when you're with me  
I just want to keep you safe  
You deserve that every day  
You deserve that every day  
As the wind blows through the trees  
There's a warmth of you inside of me  
Take my heart and let it be  
By the river, set me free
