Fix My Heart

SayWeCanFly

1-2, 1-2-3-4
It's kinda strange that I think about you
But I can't complain, 'cause I really wanna love
you
Say my name, but be careful
Not to break my heart (don't break my heart)
Call me crazy, but I believe that it would
Be amazing, to dream about the way that
We would gaze at the stars
That made us fall in love (fall)
But maybe I should find
A way to let you know
That even though you're gone
You have left me here alone
Well baby, you should try
To fix my heart before you go
Because my heart will always be your second home
She's the sky
The one that makes me feel so damn alive
And I believe that even when I die
The clouds will bring me back to life (don't
break my heart)
I'm the rain, and when I fall I feel a
Drop of pain, 'cause you don't catch me now
But it's okay, 'cause I will never break your
heart (fall)
But maybe I should find
A way to let you know
That even though you're gone
You have left me here alone
Well baby, you should try
To fix my heart before you go
Because my heart will always be
My heart will always be
Well my heart will always be your second home
