

## I've Lost The Moon

SayWeCanFly

Here I am  
With blue eyes and heart in my hand  
Ready to give it away  
But after tonight, I think I'll think twice  
Before I go and say things like  
"Trust me, I swear you can trust me"  
That's just been my way  
Of hoping that someone will love me  
But this lovesick boy  
Is getting sick again  
So this time around  
I know in my heart that I mean it  
I've lost the moon  
While trying to count the stars  
I've lost my mind but that's okay  
'cause I've been trying to fix my heart  
And if I spend all of my time  
Searching for angels in the sky  
I'll miss the one who's right here by my side  
There you are  
My only hope, my second chance  
I'm hoping you'll give me this one last dance with your heart  
I know, I know it might be hard  
But I will keep you in my arms  
I've learned the dangers of straying  
Along with the dangers of waiting  
Let's do this together, I'll be yours forever  
Or I'd do my best to be  
Or I'd die trying  
I've lost the moon  
While trying to count the stars  
I've lost my mind but that's okay  
'cause I've been trying to fix my heart  
And if I spend all of my time  
Searching for angels in the sky  
I'll miss the one who's right here by my side  
And after all of this, I hope you know  
That I will love you so  
And I won't let you go
