

Right Thing to Do

SBTRKT

Walking alone I'm in the red light,
Tryna find, find the right time.
(2x)

Walking alone I'm in the red light,
Tryna find, find the right time.
Walking alone, I'm on the wrong side,
Tryna find, find the right lines.

Let me eat all these lies up,
Let me hide, let me hide them.
(2x)

Walking alone with my eyes shut,
On my own, won't be giving up.

Walking alone won't need no call from you.
Time it runs when there's no truth.

Such a hurricane,
Such a hurting pain,
Trapped in my soul and I can't explain.
(2x)

Let me eat all these lies up,
Let me hide, let me hide them.
(2x)

Such a hurricane,
Such a hurting pain,
Trapped in my soul and I can't explain.
(2x)

Let me eat all these lies up,
Let me hide, let me hide them.
(4x)

Such a hurricane,
Such a hurting pain,
Trapped in my soul and I can't explain.
