Guess Who's Back

Talk to me man... This ya boy Young Hova, yo turn the muh'fuckin noise up We'll get right into the proceedings this evening Headphones are distortin, bring it down a lil' bit Okay - now we workin wit it The boy Face on the bassline, Face - Mob! Welcome to New York City... it's ya boy Young Hov' chea Kanye West on the track (whoo!) Chi-Town, what's goin on now? Can I talk to y'all for a minute? Lemme talk to y'all for a minute Just gimme a minute of ya time baby - I don't want much (whoo!) Lemme talk to these muh'fuckas, uhh

Guess who's bizack?

You still smellin crack in my clothes Don't make me have to relapse on these hoes Take it back out to taxin them roads When I was huggin it, niggaz couldn't do nuttin wit it Straight from the oven wit it - came from the dirt I emerged from it all without a stain on my shirt You can blame my old earth, for the shit she instilled in me Still with me, pain plus work Shit she made me milk this game for all it's worth That's right, these niggaz can't fuck with me I'm callin guts everytime, drag my nuts everytime Homey, we make a great combination don't we? Me and the Face Mob, everytime we face-off Face it y'all, y'all niggaz playin basic ball I'm on the block like I'm eight feet tall Homey, I'm in the drop with the AC on That's why the, streets embrace me dawg, I'm so cool!

Guess who's bizack? Back on the block with the old Face Mob Mack Mittens and Hov' Don't make me relapse Back to the block with the fo' Cuz this street shit is all I know

From the womb to the tomb - a hot pot of joy and a spoon Tryna make me forty thousand and move Motels, star-studded, rock stars and goons Plain clothes wanna run in my room (whoooo...) But nigga guess who's bizack? It's ya boy Face Mob Started with an eightball, gotta get this cake dawg Give niggaz a break, nah, you know how the game go Fuck you think I slang fo', to go against the grain (no) I'm out here to grind mo', rapped up in the paper chase I wanna fuck a fine hoe and candy paint the 88 Don't got no wholesale, cuz that ain't how I wanna run it Here take these five stones and bring a nigga back a hundred Gotta see my feet dude, you do shit a fiend do The fire get too hot in the kitchen, I hit the streets fool Money is an issue - and that's on the fa' shizzle my nizzle Ya block warm, then I come by with the fizzle And make fa' sho' I get to work mines, for part of the time We go to war and you ain't makin a dime (ha ha!) Cuz I got, shit to lose - a nigga out here payin his dues

Scarface

My baby walkin gotta get him some shoes It's a new game doin, lemme give ya the rules Get outta line and I'ma give ya the blues It's a new game doin, lemme give ya the rules Get outta line and I'ma give ya the blues, whoa!

Guess who's bizack?

The boy B. Mizack - a.k.a. Mr. Crack-A-Brick Turn a whole one from a half a brick, look I mastered this You can smell it once the plastic rips A hot plate'll make ya swell up if ya gasket clicked You can make ya chips swell up, ya don't hafta pitch Play them corners like a safety, watch the traffic switch Young'n never pump fake, and you'll get past the blitz And keep ya whole hood on flip - like old box-spring Pissy mattress shit, low old box of things Strictly glassy shit - I hug the block like quarter waters Shit I used to hug a corner like a old deuce and a quarter Till like deuce in the mornin, with the old heads Slangin loose quarters, this Philly cat back gatted (had it) Still fuckin with them crack addicts Still bustin with that black-matic
