

# Your Ass Got Took

Scarface

Get em up motherfucker this is it  
Hold them up where I can see em I take a small bit  
Cuz if you make a false move it'll cost ya  
No need to cry for help, the world just lost ya  
Hell I don't give a fuck about not witnesses  
Witness this  
Make it so you can't be figured out  
If you gotta kill a bitch, let her brain out  
Have no mercy when you jack  
Just the whole motherfuckin family in the black  
Fuck a five-oh, you gotta bail out  
Or your black ass is headed for the jail house  
People all the judges wanna bust you  
The D.A. does the hey and he agrees the court fuckin up  
Hey, the redneck judge caught a boot  
A nigga like the Brad cuz a nigga like the brad shoots  
Don't be afraid my brother,  
Put your finger on the trigger, close your eyes and squeeze the motherfucker  
Fuck the press, you gotta pump your chest  
If they don't cooperate, grab some hostages  
Kick an old bitch in her pouch  
Skull an old nigga, knock his motherfuckin dentures out  
Push an old man out his wheelchair  
He's still, his quill there, he gets killed there  
If it's left up to me I'll bury em  
They got a nigga livin in a sanitarium  
A real thief goes by the book  
And that's the first example of your ass gettin took

I'm pullin them motherfuckin boot falls  
A nigga's dark as shit got me reachin for the firearm  
But I aint goin out like a sucker  
I open up and fall down on the fucker  
If you're caught in the crossfire  
It musta been time for your ass to expire  
Cuz I don't shed tears on a victim  
Fuck with me, I gotta get him

That's how it is in the motherfuckin streets  
Motherfuckin check your nuts and try to play a nigga weak  
But I got a little news for your ass  
Here's a little blast from the brad  
Now put that in your pipe and smoke it  
Put your hands around your dick and doke it  
You gotta keep your nuts out your stomach fella  
Cuz I'ma put a twelve gauge on your ass, nigga  
And never take a second look  
Your ass got took

Here's some game for you dick-suckin bitches  
You're hoes who's givin up the pussy for the riches  
But a nigga like me don't pay shit  
To put it blunt to you, homey don't play bitch  
So open up and let me get it  
Be payin for the pussy, bitch with it  
Aint no pussy in the world worth cash flow  
Put bank in your ass, oh no

It aint no way, motherfucker  
You can be the world's best dick sucker  
But you still don't fit on the payroll  
I run game on a bitch and lay low  
And then I roll with someone else  
And let the other motherfucker play himself  
Let her get his cash flow  
But I'm still gettin that ass broke  
Let the other nigga keep her  
But everytime you fuck her aint that pussy gettin deeper?  
I bet it kinda makes you wonder  
When you're home all alone, "Yo, action place is farther"  
Ha ha ha, I thought you had her  
But when you fall asleep, yo, she's rollin with the Bradster  
I peep out game and just chill  
You gave her money for rent, but honey paid my light bills  
It aint like a nigga aint rich  
But a bitch has gotta pay for this dick  
Reverse the game, get her hooked  
Yo, her ass got took
