

I Can't Save You From Yourself

Scarlet

You'd rather drown yourself in drink
Than make yourself sit down and think
You'd rather lie in bed all day
And keep those demons well at bay
Oh, you mess things up
Oh, you're dangerous
And I've tried to see you through it all
And I don't wanna watch you fall
But I can't save you from yourself
I'd kill myself if it would help
I've had enough of wasting time
I've got to let you know that I
Love ya like no one else
But I can't save you from yourself, oh-oh
I can't save you from yourself
You'd rather go hurt someone else
Than run the risk they'd hurt you first
You'd rather go for second place
Than go for first and lose the race
Oh, you screw things up
Oh, you're dangerous
And I've tried to see you through it all
And I don't wanna watch you fall
But I can't save you from yourself
I'd kill myself if it would help
I've had enough of wasting time
I've got to let you know that I
Love ya like no one else
But I can't save you from yourself, oh-oh
I can't save you from yourself
You'd rather I was not your friend
For fear I'd leave you in the end
I know you'd like to change your ways
And sure as hell if you don't you'll pay
Oh why do ya fuck things up
Oh you're dangerous
Na na na na na na na
Na na na na na na na
But I can't save you from yourself
I'd kill myself if it would help
I've had enough of wasting time
I've got to let you know that I
Love ya like no one else
But I can't save you from yourself,
Oh-oh I can't save you from yourself
Oh-oh I can't save you from yourself
Oh-oh I can't save you from yourself
