

Independent Love Song

Scarlet

You could say
This was an independent love song
It's nothing like to us
What love meant to them
But that's not to say
The love we had
isn't big or that strong
I'm doing it a different way
I'm doing it a different way

You might say
This is another boring love song
To be together and forever be true
And so today is much
The same as it was then
I'm doing it a different way
I'm doing it a different way

I'll show you how to take me
Go down, go down, go down
And I'll show you how to turn me
Right on, right on, right on
And I'll show you how to touch me
Right on, right on, right on

Now I find that many men
will look my way
And I'll take them home
and let them show me the way
And sure I like a few
but I leave the rest to play
I'm doing it a different way
I'm doing it a different way

In a different way (10x)

You could say
this was an independent love song
It's nothing like to us
what love meant to them
But that's not to say
the love we have isn't
good or that strong
I'm doing it a different way
I'm doing it a different way
