

## Sinning By Your Side

Scarlet

Does this hurt you? Does this make you feel alive? Can I be the  
lover in your bed? Sinning by your side  
If i cut you will you bleed? If i touch you will you need? Anni  
e, pull me closer  
Annie, crush me harder  
Take my breath away  
Feel your blood flow  
Fell me down slow  
I know I'm the best you've ever had  
Your Mr. Big shot  
Your Mr. Cheap shot  
Say my name again  
I'm the best you ever had  
Your Mr. Big shot  
Your Mr. Cheap shot  
Hey, whatever makes you come
