

The Mannequin Campaign

Scarlet

This is the mannequin campaign. This is the shock value refrain
.

For the drug addicts and the stoned fanatics.

Drugs, drugs, drugs. Drag queens cross-dressed and gender bent.

Laying on all fours to pay the rent.

For the drug addicts and the stoned fanatics.

Drugs, drugs, drugs.

This is the mannequin campaign of the bleached white.

The run way models whoring themselves at night.

For the drug addicts and the stoned fanatics.

Drugs, drugs, drugs.
