

You're Not Him

Scarlet

You're beautiful, you're kind
You make me laugh, you say your mine
But I'm not yours to pin, 'cos you're not him
You're full of life, you're mad
You run around you make me glad
And I like you, it's no sin, but you're not him
You can send me roses
And I'll wish they weren't from you
You can show me heaven
But I'll not go there with you
You can sing me love songs
But I'll not sing them to you
'Cos you're not him, you're not him
You hold me in your arms
Seduce me with all your charms
But that does not mean a thing
'Cos you're not him,
You call me your babe Yeah
You miss me when I'm not there
But don't ask where I've been
'Cos you're not him
You can say you love me, but I'll not say that to you
You can call me crazy, 'cos I nearly loved you too
You say you'd die without me, but I will not die for you
'Cos you're not him
You're not him
You're not him
You're not him
You can send me roses
And I'll wish they weren't from you
You can show me heaven
But I'll not go there with you
You can sing me love songs
But I'll not sing them to you
'Cos you're not him
You're not him
You're not him
You're not him
