

## Green Grass

Scarlett Johansson

Lay your head  
Where my heart used to be  
Hold the earth above me  
Lay down in the green grass  
Remember when you loved me

Come closer don't be shy  
Stand beneath a rainy sky  
The moon is over the rise  
Think of me as a train goes by

Clear the thistles  
And brambles  
Whistle 'Didn't He Ramble'  
Now there's a bubble of me  
And it's floating in thee

Stand in the shade of me  
Things are now made of me  
The weather vane will say  
It smells like rain today

God took the stars  
And he tossed 'em  
Can't tell the birds  
From the blossoms  
You'll never be free of me  
He'll make a tree from me

Don't say good bye to me  
Describe the sky to me  
And if the sky falls  
Mark my words  
We'll catch mocking birds

Lay your head  
Where my heart used to be  
Hold the earth above me  
Lay down in the green grass  
Remember when you loved me
