

## Song for Jo

Scarlett Johansson

Do you remember  
How we'd fallin' asleep  
On the bathroom floor  
Wasn't always pretty  
On the white tiles  
Cool as the sound  
Of your daddy's house

Wake abandoned  
Smoke out  
The windowed floors  
From your daddy's house

You're alive today  
Small hands of a woman  
With an animal heart

Noooooooooooo  
Noooooooooooo

Hold my for a minute  
If I could spend  
A moment  
With you, you  
In your daddy's house

Gentle screams  
As we made it home

Let's get  
Bury our heart  
In the attic  
Bury our heart  
In the attic  
Of your daddy's house
