

Alexander The Burn Victim

Scarling.

There's no second chances
No time for romances, o-oh
No consequence weighing
His heart left decaying, o-oh
He's lost in his thinking
Disguised by his drinking, o-oh
No regret or falling
No well wishers calling, o-oh

And when he sleeps I hope he's okay
But when he drinks he hits on you
And when he sleeps I know he's okay
'Cause when he dreams he's someone new

The pain of desire
Is quenched by the fire, o-oh
No inkling of caring
He's grief-stricken, staring, o-oh
No bloodloss or feeling
As smoke hits the ceiling, o-oh
He sips down his sorrow
And prays "no tomorrow", o-oh

O-oh

But when he sleeps I hope he's okay
But when he drinks he hits on you
And when he sleeps I know he's okay
'Cause when he dreams he's someone new

I love you, Alexander (4x)
We'll be together forever

It's all for love [x11]
It's all for...

And when he sleeps I hope he's okay
But when he drinks he hits on you
And when he sleeps I know he's okay
'Cause when he dreams he's someone new, ooh

No hearing her laughter
For in the hereafter, o-oh
He's handsome, well-spoken
His heart can't be broken, o-oh

O-oh, oh
O-oh, oh

Goodnight, Alexander
Goodnight

Goodnight..
