(Northbound On) Cahuenga

She's precious and perfect While easily broken Dear sister, You missed her She's already spoken. She whispers and Blisters She Talks and conspires She spits at the walls and fucks all the liars. Now I see you driving in her car Now I See Now I see you, Now I see Now I see you driving in her car He's handsome- Hopeful So easily recognized Dear Brother-Discovered, she left no good byes He's acting, Not knowing He drinks and perspires Shatters mirrors- reflecting his desires Now I see you driving in her car Now I see Now I see you - Now I see, Now I see you Driving in her car Driving in her car Driving in her car Then you held my hand As she drove away As she drove away

Scarling.

As she drove away
