

# The Last Day I Was Happy

Scarling.

I'm in a perfume heaven  
With a cement sky  
I wanna rip her head off  
And I don't know why  
I wanna think of nothing  
Think I'll drink the sea  
I wanna feel him crawl all over me

I wanna drive to Vegas in your Nazi car  
I wanna be in your head while you're at a bar  
I wanna hang your windows when you've gone to the sea  
I wanna feel him crawl all over me.

I just wanna lie...

I just wanna lie here  
Just wanna lie here  
Just wanna lie here next to you  
I just wanna lie here  
Just let me die here  
Just let me die

I just wanna lie

I just wanna lie here  
Just wanna lie here  
Just let me die here next to you  
I just wanna lie here  
Just wanna lie here  
Just wanna lie

I wanna do you favors  
Want to span time  
I wanna feel your heart race in mine  
I wanna rip you open while you're laughing at me  
It'd be the last day I was happy

Lie..... I just wanna....  
Lie..... I just wanna....
