Assimilate

Scars on Broadway

Oil remove shred and tear
Radiation vapor air
It's the fear so unclear
Man in motion going nowhere
In our homes stuck in the face
Spread the word to the populace
Yellow journal yellow journal
Set the pace feel the rage
Manifestations of a sort
So insidious off the point
Simple solution never confusion
Sport a gun kill a cop
Crazy world of weary thought
So receive me had enough
Lock me up lock me up
