

Sickening Wars

Scars on Broadway

I'm the medicated, just hallucinating, on a trip
You're not elevated, i'm the dominated, with a whip
Cool me baby, cool me baby, off

Cause you lie like a hooker, lie like a hooker
When you start sickening wars
Rock me to the fucking core
Give me more sickening wars
Rock me to the fucking core

I'm the isolated, and the motivated, ????? ?????
I've been nominated for the best ????? ????? ?????
Cool me baby, cool me baby, off

Cause you lie like a hooker, lie like a hooker
When you start sickening wars
Rock me to the fucking core
Give me more sickening wars
Rock me to the fucking core
Give me more wars
Give me more

Give me more sickening wars
Rock me to the fucking core
Give me more sickening wars
Rock me to the fucking core
Give me more wars
Give me more wars

Cause you lie like a hooker, fuck like a hooker
Lie like a hooker, fuck like a hooker
So you lie like a hooker, when you talk like a hooker
When you lie like a hooker, when you talk like a hooker
When you fuck
