

## Drowning You in Fear

Scary Kids Scaring Kids

Stand up  
You know you have the right to  
Speak out  
For the things that you believe  
If you let them  
They will stab you in the back over again  
Take your integrity

How long will you let this go on?  
They're drowning you in fear

Speak up  
Your voice just isn't breaking through  
It's time now  
It's gone on way too long  
If you let them  
They will tear you into little pieces  
I think there's something wrong

How long will you let this go on?  
They're drowning you in fear  
You're letting your hopes go straight to hell  
and I know the end is near

The time will come  
The time will come  
The time will come  
You will be sorry for what you've done  
The time will come

How long will you let this go on?  
They're drowning you in fear  
You're letting your hopes go straight to hell  
And I know the end is near, is near

You say you're sorry for what it's worth
