Empty Glasses

Scary Kids Scaring Kids

Faded pictures of the life that I once loved With the flash, the moments gone I gave up all I had for Something that never brought me any comfort now I've been lost too long

Deny it, but I am alone here I always feared this place I never thought it'd end this way Deny it, but I am alone Another nameless face Deny it, but I am alone here I always feared this place I never thought it'd end this way Deny it, but I am alone Please don't forget my name Deny it, but I am alone

Empty pages haunt me and I can't move on The words I never said were wrong I never needed to feel connected And now I'm only loved by empty glasses It's gone on too long I need to find a way to just move on

Deny it, but I am alone here I always feared this place I never thought it'd end this way Deny it, but I am alone Another nameless face Deny it, but I am alone here I always feared this place I never thought it'd end this way Deny it, but I am alone Please don't forget my name Deny it, but I am alone

I'm tired of you wishing me the best of luck It's a long ride home, a long ride home

Deny it, but I am alone here I always feared this place I never thought it'd end this way Deny it, but I am alone Another nameless face Deny it, but I am alone here I always feared this place I never thought it'd end this way Deny it, but I am alone Please don't forget my name Deny it, but I am alone
